My Parents Names

This Blackshield Press booklet is formatted as a clean PDF suitable for flipbook deployment. Each page uses short, readable language designed to support guided reading and discussion.

Lesson 1

My parent or caregiver has a full name, and I can learn it clearly. Knowing names helps me explain who I belong with when I need help.

"What is one thing I should remember from this page?"

Lesson 2

A safe adult may ask, 'What is your mom's name?' or 'What is your dad's name?' I can answer with confidence because I practiced.

"How can I practice this idea with a trusted adult?"

Lesson 3

I can learn names by saying them, writing them, and hearing them spoken the right way. Names are part of my family story.

"What safe choice does this page teach me to make?"

Lesson 4

If I am in school, at a store, or with a trusted helper, knowing my caregiver's name helps adults contact the right person.

"Why does this information matter in real life?"

Lesson 5

Learning names is part of growing up. It shows responsibility, memory, and readiness.

"What words from this page can I say clearly and confidently?"
