## PASSAGES 04

### Who Can I Trust

This Blackshield Press booklet is formatted as a clean PDF suitable for flipbook deployment. Each page uses short, readable language designed to support guided reading and discussion.

#### Lesson 1

Trust means I can rely on someone to care for me, protect me, and tell the truth. Not everyone should have the same access to me.

*"What is one thing I should remember from this page?"*

#### Lesson 2

Trusted adults are usually the people my family has already named as safe helpers. I learn who they are before I need help.

*"How can I practice this idea with a trusted adult?"*

### Lesson 3

A trusted adult listens, respects boundaries, and helps me get to safety. A trusted adult does not ask me to hide unsafe secrets.

*"What safe choice does this page teach me to make?"*

### Lesson 4

If I feel confused, pressured, or afraid, I can pause and go back to a trusted adult I know. I do not have to figure everything out alone.

*"Why does this information matter in real life?"*

## Lesson 5

Learning trust helps me build good judgment. Good judgment helps protect me.

*"What words from this page can I say clearly and confidently?"*
