Im Lost Find a Cop

This Blackshield Press booklet is formatted as a clean PDF suitable for flipbook deployment. Each page uses short, readable language designed to support guided reading and discussion.

Lesson 1

If I get lost, the first step is to stop moving around in panic. I take a breath and look for a safe adult in uniform or at a help desk.

"What is one thing I should remember from this page?"

Lesson 2

A police officer, security guard, store manager, or teacher can help me. I say my name, my caregiver's name, and ask for help clearly.

"How can I practice this idea with a trusted adult?"

Lesson 3

I do not leave with strangers who promise snacks, rides, or surprises. I stay where safe adults can see me.

"What safe choice does this page teach me to make?"

Lesson 4

If there is a cashier desk, customer service counter, or information booth, I go there and wait for help in a public place.

"Why does this information matter in real life?"

Lesson 5

Being lost is scary, but a plan helps. Stop, stay calm, find safe help, and speak clearly.

"What words from this page can I say clearly and confidently?"
