#### Lesson 1

Growing up means learning responsibility, confidence, and self-respect. Being a big girl is about wisdom, not just age.

*"What is one thing I should remember from this page?"*

#### Lesson 2

I can care for my things, speak clearly, and treat myself with dignity. Discipline helps me shine.

*"How can I practice this idea with a trusted adult?"*

### Lesson 3

My body and feelings matter, and I learn healthy boundaries as I grow. I do not need to rush. I need to understand.

*"What safe choice does this page teach me to make?"*

### Lesson 4

When I make a mistake, I can learn from it. Growth means becoming stronger in mind and character.

*"Why does this information matter in real life?"*
